

REMARKS

In regard to the "Greenlee" document, no further information is available.

The serial number and filing date of a concurrently filed application is provided on pages 1 and 5 of the Specification.

Claim 10 have been amended to additionally include the limitations of previously dependent Claim 11. Claim 14 have been amended to additionally include the limitations of previously dependent Claims 15 and 16.

Claim 12 is now made dependent upon amended Claim 10.

Claims 1 through 9, 11 and 15 through 25 have been cancelled since it is believed that the balance of the claims remaining in this application after amendment adequately protects the Applicants' invention.

Reconsideration of the rejection and objection of all the claims remaining in this application after amendment is respectfully requested.

The objection to Claim 1 is moot as Claim 1 has been cancelled.

Figure 6 of the drawings have been objected to as the legend "Prior Art" was included therewith and this appeared to be inconsistent with the disclosure on page 5. The Applicants' attorney states that Figure 6 is properly identified as "Prior Art". Withdrawal of this objection is respectfully requested.

The Examiner has indicated that the symbols describing the switches 122 and 124 of Figure 5 seem to be incorrect as the Examiner interpreted them as usually referring to capacitors. Appropriate direction and/or explanation was required. The Applicants' attorney respectfully submits that the symbols describing the switches 122 and 124 are correct. They in fact represent normally open contacts of switches. Support for this is found in the Specification on page 10, lines 10 through 13.

The Examiner has indicated that the subject matter of original Claims of 11 through 13 and 16 thought being objected to as being dependent upon a rejected base claim would be allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims. The Applicants' attorney respectfully submits that amended Claims 10 and 14 meet the aforementioned criteria and therefore allowance thereof is appropriate and such action is respectfully requested.

Since it is believed that this application have been placed in condition for allowance, such action is respectfully requested.
